- All Scriptures contained in The Bible are from God and Authored by His Spirit. (1 Peter 1:20-21)
- All Scriptures are the testimony of God and the benefit to those who hear and believe in righteousness. (1 Timothy 3:16)
- Jesus spoke as the Father gave His authority and Father empowers His very own Word of Christ and from Christ. (John 14:10, John 10:30, Isaiah 55:11)
- The Word of God, The Holy Scriptures, The Bible from Genesis to Revelation is What God Said! What God Said, is His Word, and as He is, is Holy, Living, and Powerful! (Hebrews 4:1-3)
- Jesus is the Word spoken of and The Word in the total person, power, and promises of the fullness of God. (John 1, Colossians 2:9)

### What is the Father saying?

The Father is reminding us as Born Again Believers, we are in the last days of these earthly days. No one knows the day or the hour, but Jesus Christ will return to gather the one of His great harvest of Our Father. As the Holy Scriptures tell us today, Jesus will and is returning to rule and reign in the Kingdom of God with those who are called by His name! But before He returns, apostasy will come. Apostasy is the walking away from The Word, The Truth, The Way of God in the life and living of Jesus Christ. The Father is reminding us today, those who are truly Born Again of the water of His Word and mighty Work of His hands, we must return to the Bible and seek His thoughts and thinking for now times and now endurance! The Word of God, the eternal expression of God's own mind was relevant and powerful 2000 years ago, that now in its power of The Gospel; we are being carried to the end of our faith, to the salvation of our souls. We need to seek The Father as Jesus reveals Him and His Word in our hearts, that we endure, remain unto our eternal end. The Word of God is the Breath of our lives.
